### III. Informational/Discussion Item:

A. Board Officer Roles and Expectations

# Roots & Wings Community School

35 La Lama Rd, Questa, NM 87556

- Erica Lannon's concerns on the process of the director evaluation.
- Noticing that there has been a strained relationship between the president and the director. Little improvement in the situation.
- Addressing the timeline of succession.

Elizabeth Anderson- felt like she should have communicated more in the previous meeting and not through the emails.

Aline Robertson - took the floor during the meeting, but the eval didn't go into record.

Scotney Blackburn- Missing documentation and moved documents.

Surprise to Erica because this is something that has been set by the board,

Aline Robertson said that she doesn't make changes without the vote of the board.

Do we need to rethink this system or can we agree this is where the secretary works?

Secretary has the duty and responsibility to review a folder for files to organize and put them in the respective meeting minutes and agendas folders.

Next meeting action item: Voting on how documents are handled, labeled and organized.

Erica Lannon's concern on Aline Robertson's opinion being viewed as the board.

Aline Robertson expressing her opinion and director evaluations should not be critical opinions of one individual board member.

Was there an action taken to use house forms for the evaluations?

- Not that anyone remembers... Scotney Blackburn and Elizabeth Anderson remember wanting to use a more formal tool. Shouldn't be used without a vote.

Erica Lannon is worried that these issues alone will make us lose a director.

Scotney Blackburn won't renew her term or continue with these conditions and excessive meeting length

:Andrea Griffin- The evaluation should be a closed session consensus between board members and then presented to Jon. Andrea left at 7:51PM

Aline Robertson: offering up her seat, but wanting to stay on the board.
