

roots & wings COMMUNITY SCHOOL

February 19, 2021

Dear RWCS Community,

After the dry start of winter, it seems like lately, the weather is trying to make up for it as we have received lots of much-needed snow here at the school. The good and bad side to having remote school is No Snow Days!

On the school facility front, we have ordered several 3-stage portable air purifier system units. These will be in every classroom and the main hallway once installed. These units exceed the PED requirements for purifying the school air and without them, we wouldn't be able to even consider reopening our classrooms. We will be sending out a short survey next week to get input from families about our plans for the 4th quarter this year.

This Wednesday, February 24th, is a NO SCHOOL Day for all students as the staff has a PD Day. Enjoy the mid-week day off, it is also a great day for students to get caught up if they are behind on any assignments.
