

roots & wings COMMUNITY SCHOOL

October 16, 2020

Dear RWCS Community,

Thank you to all that logged in to the Zoom meetings last Friday while the PED folks were here for our Charter Renewal and Annual Site Visits. I believe the day went well and we will receive our report in early November, to respond to any findings that need to be corrected. We have also updated and reorganized our website to hopefully make it easier to find information on it.

Unfortunately, it appears that NM is experiencing the projected Fall spike in COVID cases and while Taos county is still in the green, many other counties that were green have moved into yellow or red. While the Governor has issued new State-wide restrictions, they currently are not impacting schools and we will continue with our plans. However, PED is reviewing its policies on when schools could move from remote to hybrid, or when a school that is in hybrid would be required to move back to remote learning. Please do your part to help prevent the spread of COVID, so we can bring students back into the school in January.

Just a reminder that this Wednesday, October 21st, IS a Wednesday school day and there will be Art and Music classes.

Please don't forget to fill out the application for Free and Reduced lunch (these forms need to be filled out even though we don't have a lunch program as the data from these forms helps the school get additional funding).

School office hours will continue 9:00 am – 5:00 pm on school days and we can be reached at (575) 586-2076.

The next Governing Council Meeting is October 20th at 5 pm. G.C. Meeting Agendas with the Zoom link are posted on the school [website](#) 72 hours before the meeting. All are welcome to attend.

Enjoy another beautiful fall weekend!

Sincerely,

Jon Orris
