

roots & wings COMMUNITY SCHOOL

September 3, 2020

Dear RWCS Community,

Welcome to September! The last couple of cool mornings is a reminder that fall is just around the corner, and I have noticed a few Cottonwoods and Aspens with a tinge of yellow in them recently. It seems that all the classes have settled into their online routine with lots of learning going on.

Thank you to all of those who have submitted their registration forms and immunization forms. If you haven't completed those yet, please do so ASAP! Please don't forget the Dental Records (new this year) and application for Free and Reduced lunch (these forms need to be filled out even though we don't have a lunch program as the data from these forms helps the school get additional funding). If you are submitting an immunization exemption form, those also need to be completed as well. These forms MUST be redone each year, just like the registration forms.

Just a reminder that this is Labor Day weekend and there is no school on Monday, September 7th, but returns as usual on Tuesday. Also, starting next week will be the return of the Art and Music programs. Your classroom teachers will be providing a schedule for their students. These programs are part of the curriculum and are required just like the regular classes.

School office hours will continue 9:00 am – 5:00 pm on school days and we can be reached at (575) 586-2076

Please have a safe and enjoyable long holiday weekend! A reminder: the top three things you and your family can do to get your children back in school is: 1.) Wash your hands, 2.) Wear a mask, and, 3.) Socially distance.

Sincerely,

Jon Orris
